				OneBeat	Performance	Cook, Grant A (603) 646-2520			2332244
Notes to Scheduler									
We hope to use Sudi 007 from 12 to 7 PM for setup and sound checks. The event itself will be from 7 till 10 PM, and we'll spend 10 till 11 PM on cleanup.									
The event is a casual dinner/concert/open mic featuring guest musicians from the OneBeat program. Food will be served, but no alcohol. The OneBeat visitors come with their own production staff, including an audio engineer, so we will not need Collis staff support at the event. That said, we could use some equipment support/borrow some gear, if possible:									
- Access to Studio Sudikoff PA and mixer									
- Guitar amp									
- 2 instrument mics									
- 3 vocal mics									
- XLR cables and boom stands for all mics
